## Message from the Chairman

Dear prospective students, parents and well-wishers,

First of all, I would like to heartily welcome you for choosing Gupteshwor Mahadev Multiple Campus (GMMC) as the destination of your academic career. I am always appreciative to the enthusiastic social activists of this area for their uninterrupted support in the academic growth of GMMC right from its commencement. We have established GMMC with the serene motive of providing quality higher education to needy students of Chhorepatan and surrounding areas. Within the very short span of time this campus has become the common platform for the students from a dozen of districts across the country. Our sole aim is to offer quality education to the students so that they can make outstanding career growth when they enter into their professional life.

The college is non-profit making institute exclusively dedicated to the overall enhancement of humanity through quality education. We pay special attention to build equal opportunity to educate women, poor, marginalized, and ethnic minority groups that would enable them to become qualitative human resources for the society and the strong pillars for overall national development. Lastly, I am sure all concerned students and guardians have chosen the right destination for their higher studies.

## Introduction

Gupteshwor Mahadev Multiple Campus (GMMC), running under the benefaction of Gupteshwor Mahadev Cave, is the outcome of collective efforts of academic personalities, political activists, religious-minded people and enthusiastic social campaigners, who are dedicated to develop Chhorepatan as the center of academic excellence. Adjacent to the world famous gorgeous Devis Fall, GMMC is situated within the spacious premise of Gupteshwor Mahadev Cave at Pokhara Lekhnath Metropolitan City – 17, Chhorepatan.

GMMC was established in 2065 which is one of the affiliated campuses of Tribhuvan University that views education as an essential and foremost phenomenon for the overall development of quality human life. GMMC is a public and non-profit making campus which is exclusively devoted towards producing self-reliant individuals for the nation. At present the campus is the home for students from Kaski, Syangja, Parbat and other neighbouring districts.

The campus is always committed to achieve its objective of producing efficient, qualitative and market oriented human resources through academic exposure. Moreover, the campus focuses not only on mere pedagogy but also on seminars, presentations, talk programs and field visits so that students can be acquainted with their probable working environments as well.

## Some Glimpses of Annual Sports Meet

GMMC possesses the belief of conveying recent and scientific education based on societal needs, national interest, international norms and latest practices in academic world irrespective of religion, caste, creed, nationality, ethnicity, etc. thereby contributing to the development of human resources of self-sustaining teaching learning world. To be precise, our sole aim is to provide our students, at an affordable cost, with quality education and help them carve out best careers for themselves. To be very specific GMMC is dedicated to:

- Provide qualitative education to needy, poor and marginalized students.
- Create sound academic environment by highly experienced and qualified teachers who have already gained years of experience in teaching colleges affiliated to Tribhuvan University.
- Endow with job oriented, productive and skill oriented education.
- Uplift the educational status of nation through disciplined and qualitative education.
- Produce self-disciplined, laborious and proficient manpower.
- Empower self-employment and create job opportunity to unemployed people.
- Addition of professional and contemporary marketable disciplines.

## Physical Infrastructure

The college is run in a state of art building suitable for pedagogy. The modern building contains spacious classrooms, computer lab, library, administrative rooms, a seminar hall and the main hall suitable for various programmes. The campus has a library with sufficient textbooks and reference books. The computer lab, with more than a dozen of computers, is equipped with round the clock internet facility without any charge to the students.

On the other hand, the campus with the financial help of Indian Embassy has been constructing new building at the back of Davis Fall in spacious location suitable for all kinds of sporting events as well. The building is expected to be finished by the end of the year.

## Our Student's Voice

It has been great pleasure studying in an excellent environment of GMMC with cooperative teachers amid plenty of instructional materials, ample opportunity for all kinds of students really make this college a unique place. I am enjoying a lot of things at this place.

Manisha Ranabhat

BBS Topper

To be a student at GMMC is really amazing. I got transferred to this college and I'm doing much better here rendered possible by the existing well experienced faculties and pedagogics foster upon us. The approach of final year reminds me of the farewell moment, the heartrending departing moment and losing all dear friends and considerate teachers, which I absolutely detest even to hear.

## Alumni's Voice

I'm always very proud to be a part of GMMC family. The college is well-furnished with all the gadgets necessary for academic excellence. My pride is the outcome of the helpful and resourceful teachers and the total setup of the college, and today I am pursuing my further studies here at New Zealand University. Since the day of my entry into this college, I never felt a moment that bored me at all. Every moment was equally inspiring and invigorating within and without.
